<b><u>ENVIRONMENT</u></b>			
Name of GFWC Special Program, Community Service Program, Advancement Plan or ESO			

The Ebell Club of Fullerton was established in 1917 and shares the community with not only other community service clubs but also with another federated club. The community is an established Community and often the service clubs are supporting the same organization.

The clubhouse was sold, and the money was invested so that each year a portion is designated as philanthropy funds. A special philanthropy committee reviews all requests for donations and submits their findings to the general membership for approval. While selling the clubhouse has been financially beneficial it has caused an identity problem as many thought we had dissolved with the sale of the clubhouse.

**Project Title:** Environment Laundry Detergent    **Hours** 45    **Donated \$**               **In Kind**           

The club chairman learned about this project at a District Meeting and spent many hours researching and preparing information for the club members. Each member was given information, survey sheet and a laundry sheet to try and report back to the chairman their findings about using the Laundry Sheets versus normal detergent.

**Project Title:** Penny Pines    **Hours** 30    **Donated \$**               **In Kind**           

Each month beginning in October a bank has been passed around at the General Meetings for members to donate change. The funds from the Mouse Bank (named Penny) will be used to purchase trees for the local mountains from the Forestry Service.

**Project Title:** Pets for Vets    **Hours** 10    **Donated \$** 1,500    **In Kind**           

Pets for Veterans is an organization helping veterans and pets create new beginnings together. The veterans are matched with a rescue dog from a shelter which has been trained. The cost for matching one vet-pet is \$1,500.
