Keynote Speaker

Amber Enriquez, ECOS® General Counsel/Head of Sustainability Founded in 1953 and headquartered in Orange County, ECOS® is serious about creating a sustainable world for all. Their innovative cleaning products help protect the health and wellbeing of people, pets, and the planet. Amber will share insights on the “ECOS Way” and how this women-led global company ‘Gets-Their-Job-Done.’

Special Guests

CFWC President Sonya Matthies and CFWC 1st Vice-President Wendy Curran

These engaging, knowledgeable state leaders are dedicated to ensuring the bright future of the *California Federation of Woman's Clubs*. We are honored and thrilled to have them join us.

Two 45 min sessions, each offering an informative workshop AND hands-on service projects. Members will choose an option for each session.

Workshops: 1) Fundraising 2025: Ins, Outs & Pitfalls 2) Today's March of Dimes (a GFWC Affiliate)
Host: Lu Arrendondo, Foothill Dist Dean Host: Tanya Adolph, Director of Development

Projects: Pocket Flags (for the military); Tied Fleece Blankets (for March of Dimes/Paul Newman Turtle Camp); Lovey Dolls (for NICU babies); Ducks Doing Good (for local DV shelters), and more!

Registration Deadline – Friday, August 1st

SUMMER CONFERENCE IS A “CAN’T MISS”

Saturday, August 9
Yorba Linda Community Center

Here's why –

You'll hear from two terrific guest speakers: CFWC President Sonya Matthies and CFWC 1st VP Wendy Curran.

You'll be amazed by the good being done by ECOS® to further the cause of sustainability and create a better planet for all. ECOS® is a women-owned company headquartered in Cypress. Our keynote speaker is Amber Enriquez, ECOS® General Counsel and Head of Sustainability.

You'll learn new things in the workshops: profitable fundraising in 2025; and, how *March of Dimes* promotes new mom health and wellbeing in today's world. *March of Dimes* is an affiliate partner of the *General Federation of Women's Clubs* (GFWC).

You'll feel good as we *Get-the-Job-Done* together through several hands-on service projects. The items we make will be donated to local philanthropies and organizations in need of our support. All supplies provided.

****SPECIAL DONATION REQUEST****

The national service organization known as *Threads of Love* makes items vital to babies in NICU units around the country, all year long – isolette covers, lovey dolls, preemie-gowns, and more.

Now that Joann Fabrics has closed, **the OC chapter of *Threads of Love* is in urgent need of cotton and flannel fabric to continue their work.** If you have more “baby-appropriate” fabric than you'll ever use -- or want to clear out your stash – bring donations to Summer Conference. *NO scratchy or rough material; a preemie-baby's skin is very sensitive.*

Please see flyer and club registration form for additional details.

It's gonna be a great day! It'll be even better with YOU there!
Come for the fun as we get the job done!
