**Barber City Women's Club**

Founded in 1927, Barber City Women's Club (BCWC) was named after the independent community from which it came, 'Barber City', located in the northwest Westminister, California (pop 89,397; 2022) and incorporated into Westminister in 1957. BCWC, originally formed for the improvement of local roads. In the 97 years since, BCWC has expanded into an organization of talented, educated, community focused people dedicated to the advancement and support of education, philanthropic and charitable activities for the local community, as well as internationally.

BCWC is the oldest continuously operating non-profit agency in Westminister, CA. Our 31 (thirty one) members utilize their talents and knowledge in event planing and organizing; creating and selling artistic crafts, baked goods, decor, jewelry, and sewn items; and hosting a multitude of fun, fundraising events-all to ensure success of the agencies we support throughout the year.

Proceeds from our activities go to:

- Interval House (multi service domestic violence program),
- Safety, health, understanding and education (SHUE) program at Westminister Senior center,
- Meals on Wheels at Westminister Senior center,
- Mental Health Association (multi-service center, Santa Ana),
- School in Malawi via Direct Connections to Africa (DCTA), and
- Food Pantry donations, We Care
- Pet Supply donations, Long Beach Animal Care Services
- Cash scholarships (\$500 x3, \$800 x1) awarded to Female residents of Westminister who are pursuing higher education and/or training at a local college, university, or vocational school.

**Interval House, Domestic Violence**

**hours 30 donated \$150 in kind \$1,000**

Interval House (est 1979) is a local nonprofit agency which provides comprehensive domestic violence services to individuals and families in Los Angeles and Orange counties. Interval House agency staffs and supports: a 24 hour crisis line, emergency response team, community outreach, and assist with emergency and/or transitional housing.

We focus much of our attention on Interval House clients and staff. Most recently, for the holidays, we contributed \$10-25 gift cards (\$800 total) for each client in family housing; squishmallow stuff-animals (13) and candies for the children; and, staff were given holiday cookies. Throughout the year, we bring in gift cards, gift bags for the clients for Mother's Day and Valentine's Day (including "courage" rocks, mementos of strength, school supplies, hand crochet baby blankets/hat sets, baby clothes/supplies, small gifts for the dedicated staff, and more.

Throughout 2023, the children in Interval House family housing received school supplies, eggs filled with

candy and other candies for their Easter Egg hunt, large bags of halloween candy, as well as, Squishmallows stuffed toys for holiday presents. They also received live plants given to us by a local private garden.

**SHUE, Westminster Senior Center, children's educational and interpersonal support**  
**hours 200 donated \$350 in kind. \$500**

Safety, Health, Understanding, Education (SHUE), is a program coordinated within the Westminster Senior Center. SHUE provides after school program within the senior center; senior center members provide tutoring to about 20 local at-risk first and second grade students who have been identified as at-risk by their teachers early in the fall semester. Their initial testing usually shows they are below grade level in reading and math. The follow up testing at the end of the school year, shows they have made remarkable progress and most are testing at or above grade level.

This year, BCWC provided school supplies and organizing boxes, as well as fun extracurricular activities- during spring 2023, Barber City Women's Club received dozens of beautiful live plants from a private garden. We gave these to the kids at SHUE to assist with their gardening program, as well as live sunflower seedlings for graduation presents. At the end of the year, students also received a squishmallow stuffed toy for their holiday. This program allows for community members to come together to help one another and build sense of culture, learning and growing.
