La Habra Woman's Club was established in 1898. Located in the very north/west corner of Orange County, La Habra is a quiet bedroom community with just over 60,000. We're encouraged by a recent growth in membership and look forward to all the talents these new members bring to our club.

Project Title: __Women's History __Hours__3__ Donated \$__0__ In Kind __0__

Women's History lessons from the past are vast in size. From the early 1800's forward, women have been dedicated to pushing for the betterment of women. At each of our meetings a small tidbit of different famous and infamous women is shared. At a recent meeting, 3 of our women presented a skit on Susan B. Anthony, and Elizabeth Cady Stanton who were responsible for the change in social and political landscape resulting in The 19th Amendment to the Constitution. Pretty powerful and impressive, yeah!
