## President's Message— January 2021 CALL

I hope all of you had an enjoyable Thanksgiving and looking forward to the Holidays approaching.

As always with this administration I have GOOD news and BAD news. First the bad news. While we had hoped to be able to have the January Council Meeting in person with the current situation of the Covid-19 we are unable to meet at the Phoenix Club so the January 8<sup>th</sup> Orange District Council Meeting will be held as a zoom meeting.

Now the GOOD news. We all want to have a positive attitude to start 2021 so wanted to have something special at the Council Meeting. While looking for a “UP” speaker, I would like to thank Maria Sterk for her suggestion and Veena Narain, for arranging it and we will have Dr. Marissa Pei as our speaker at the January Zoom Council Meeting. Dr. Marissa aka “the Asian Oprah” is a motivational speaker, Celebrity Host, Corporate Psychologist, Life Balance Coach, #1 Bestselling Author and a Happiness Catalyst. She will enlighten as well as entertain. Please let all of your club members know so they can hear her also.

I know that this is a very busy time with writing of the reports, getting ready for the Holidays (made more difficult with the stay at home order) and just coping with the changing day to day environment but please take the time to remember to reach out to fellow club members that you have not seen or those less fortunate. Let's remember this is a time for love of each other.

Together We Make A Great Team.

Mary Sprague, President

## From the Executive Committee ...

**Sandy Tessier**  
**1st Vice President/Dean**

Report writing season is upon us. Remember our reporting year is January 1, 2020 to December 31, 2020. This has been such a crazy year, who remembers what happened last January and February? It's time to pull our minutes and newsletters and gather all the information about all the wonderful things your club did during this last year.

Find the report form by going to the [CFWCornagedistrict.com](http://CFWCornagedistrict.com) web site and select the reports tab. From the list select Statistical Report and the Club Award Entry Form (narrative form). The report forms from the web site are interactive. However you must save them first into your word documents so you can edit the report and complete it on line.

### **Statistical report is required!**

Your club may choose not to write a narrative report but the **statistical report is required**. Statistical reports reflect the **hours spent, dollars and in-kind donations made** as well as how many members were involved in each and every activity your club has held.

### **When writing your Statistical Reports remember to include:**

- The hours spent in meetings, all meetings including GFWC, CFWC Orange District and club meetings
- Hours spent in preparations
- Miles driving to and from
- Hours spent on projects and committees
- Hours spent in delivering monetary and in-kind donations

### **Affiliate Organizations Data**

- This is a new section at the bottom of the statistical report form.
- This new section will provide information specific to each affiliate organization.
- The national totals received by GFWC will be shared with each affiliate organization to demonstrate service by GFWC club-women.

### **Narrative Reports**

Your club can enter a report on any or all of these service areas.

We apologize for the inconvenience but, due to the current circumstances, reports must be delivered on/before the January 8th meeting to one of the following locations. . We tried to pick 3 locations central to the Club Locations.

**\*\*Sandy Tessier 4825 Ironwood Ave. Seal Beach, 90740**

**\*\*Katie Stewart 30 Finca, San Clemente 92672**

**\*\*Mary Sprague 5924 Arno Crescent Anaheim 92807**

In closing I'd like to propose a challenge to clubs who didn't write any narrative report last year to write one this year.

Pick a project which you are very proud and write it up and send it in with your statistical report. Every club who writes a narrative report this year, who didn't write any last year **GETS A PRIZE!**

If you would like help your club with reports Just call or send an email to me.

### **YOUR MEMBERSHIP NEEDS YOU!**

How are you connecting with your members during the Covid lockdowns? Are you making phone calls, sending cards, arranging Zoom meetings? Many clubs are getting creative about fundraisers and connections with their members.

All club Presidents and Membership Chairs should have received the A-Z Target List I sent out to help you identify potential new club members in your community. Give people a chance to be part of your amazing club. Let them help with fundraising and other club activities. Let them help make a difference in your community.

Maybe some of your members are understandably concerned about mingling with others. It is NOT necessary that you need to risk anyone's health or safety. There are terrific things you can do using Zoom and social distancing.

If you need help learning Zoom, call me; I can help. Additionally, you can ask your members if any of them are Zoomologists (my word), or know people who can help you meet on Zoom.

Look at fun ways to fundraise. Perhaps Zoom Bingo! That's something we do in my club. I am happy to share the instructions, just ask. You can reach me at the email and phone number listed above.

Perhaps your group has another event – which is great, too. Whatever you do, look for ways to include new people, then invite them to join your club and be part of the important work you do. You CAN do it!

Orange District Council meetings have been on zoom, as will be the January 8<sup>th</sup> meeting. Have we missed a fundraising opportunity? YES, an opportunity drawing (50/50):

**New Year's Drawing:** Orange District Council–January 8, 2021  
 7 chances for \$5.00 (buy as many as you wish)  
 Make check payable to: CFWC Orange District Mail by January 5<sup>th</sup> to:  
 Marilyn Bennett, 16089 Shasta St, Fountain Valley, CA 92708  
 ~  
 7 chits with your name will be put in for every \$5.00

♥ **Heart to Heart** ♥ BINGO will be held on Saturday, February 13, 202, at 10:00 a.m. and at 2:00 p.m.. Save the date on your calendar. This zoom Bingo replaces the previously planned Quartermania that was cancelled. A reservation invite for the free Bingo is forthcoming. In the meantime, plan your theme attire, heart month or valentine. You could win a prize!

There is still time, through December 31<sup>st</sup>, to make online personal and gift purchases from Pegboard Highway, [pegboardhighway.com](http://pegboardhighway.com). Enter shopping code **Orange** to receive a discount and Orange District will receive 15 percent. See the ad in the December PEAL.

How did your club raise funds during this pandemic year? Fundraisers are projects for which you can submit narrative reports. I'm looking forward to knowing how clubs have raised their funds.

### **Contact Your Senators and Representatives Today!**

#### Protect Funding for Victims of Crime

The Victims of Crime Act (VOCA) grants provide federal funding that enables local organizations serving survivors of domestic violence, child abuse, sexual assault, trafficking, and other crimes to provide counseling, case management, crisis hotlines, emergency shelters, and other community-based programs. Congress is finalizing its FY2021 Appropriations Bills and substantial funding cuts to VOCA are being considered, as is language to fix the formula and stabilize the Crime Victims Fund.

The VOCA formula must be fixed to avoid further financial crisis and the elimination of services. Congress must bolster the Crime Victims fund by ensuring federal financial penalties from deferred prosecution and non-prosecution agreements are deposited into the Crime Victims Fund and used to serve victims of crime.

We are asking you to contact your members of Congress immediately. Congress has an opportunity to save victim service grants by stabilizing the Crime Victims Fund. It is important that you act now. Write to your Senators and Representatives today!
