Domestic Violence

The Ebell Club of Fullerton was established in 1917, and shares the community with not only other community service clubs but also with another federated club. Until recently the club owned its own clubhouse and with the sale of the clubhouse while it was profitable it also caused an identity problem as many thought the club had dissolved with the sale.

The City of Fullerton is an established community with minimal new growth. With the funds now available from the sale of the clubhouse, the club's goals are to continue to become more visible, attract new members and contributed more significantly to the community.

Project Title Crittenton Services **Hours** 150 **Donated \$** 500 **In Kind \$** 2,500
Crittenton Services began as a home for unwed mothers and now is involved with abuse and trafficking of children.

At the September General Meeting members were asked to bring needed school supplies for the children served by Crittenton Services

Each year an Angel Tree is held for the children involved with Crittenton Services. Each child requests one gift and the members donate the gift for the child they select. This year many of the requests were also from foster children and over 30 gifts were purchased.

A donation of \$500 was made.
