LEADERSHIP

The Woman's Club of Fullerton is an organization full of pride and history. We are extremely proud of the fact that we have been in operation since November of 1902. Our mission is dedicated to uniting women of all ages for community service, supporting charitable organizations, fostering friendships and empowering women through learning about the community around us. The Woman's Club of Fullerton resides in a city of 135,161 community members. Since our 2007 rebirth, we have grown to 66 members and growing.

Project Title: Leadership Orientation **Hours** 200 **Donated \$** 200 **In Kind \$** 0

The WCOF conducted our annual orientation in the back yard of one of our members, due to Covid-19 we felt it better to meet in the open. We did social distancing, wore our mask and had sanitizing lotion available also. We did a box lunch so as not to spread any germs via utensils. It was a great idea. We passed out information and certificates to the Board and Chairs members and reviewed our timeline and upcoming events. It was not like our usual Orientation meeting, however, it was a really nice day and we enjoyed being together and not on a Zoom meeting.

Project Title: Installation and Year End Celebration **Hours** 46 **Donated \$** 0
In Kind \$ 0

The Woman's Club of Fullerton did not have an Installation and Year end Celebration in person due to Covid-19 restrictions. Couldn't make plans to meet because of the restrictions put in place limited the number persons that could be in one place and social distance. So we did ours via Zoom Meeting. It was not the same; however it was the best we could do. We so look forward to when we can go back to meeting in our usual location and life is back to more normal.
