LEGISLATION & PUBLIC POLICY

The Woman's Club of Fullerton is an organization full of pride and history. We are extremely proud of the fact that we have been in operation since November of 1902. Our mission is dedicated to uniting women of all ages for community service, supporting charitable organizations, fostering friendships and empowering women through learning about the community around us. The Woman's Club of Fullerton resides in a city of 135,161 community members. Since our 2007 rebirth, we have grown to 66 members and growing.

Project Title: Tea with Alice and Me Hours 12 Donated \$ 0 In Kind \$ 0

Woman's Club of Fullerton members and friends celebrated the 100th Anniversary of the League of Women Voters and the 19th Amendment by attending a fantastic one-woman performance that took the audience to women's tearooms in Seneca, Selfridges, The National Women's Party, and Women's Bookstores. Tearooms were where women met to organize and work to win rights for women to vote. The show included hundreds of pictures and personal stories that transported us to times in the life of Alice Paul, the author of the Equal Rights Amendment. We also learned through pictures and story the history of the women's rights movement in America, at the Nation's Capitol, at Women's Rights marches and events through history. It was an empowering evening of friendship, food and learning about how far women have come, but how far we still have to go to be truly equal in society!

Project Title: Letters to Legislators Hours 40 Donated \$ 0 In Kind \$ 0

Six members of the Woman's Club of Fullerton spent time reviewing the Legislative Action Center and inputting letters of support. The members responded to requests to write letters to support legislation endorsed by the GFWC. Members logged on to the GFWC Legislative Action Center, reviewed legislation and input their support to legislators.

On many of the legislative bills being supported by GFWC, our local legislators not only wrote back to us telling us that they support the bill, but that they were also co-sponsors of the bills. It is great to know many of our legislators support women's issues and go to bat for women in the community.

Project Title: Get out the Vote! Hours 80 Donated \$ 100 In Kind \$ 50

Three members of the Woman's Club of Fullerton met to address "Get out to Vote" postcards. These cards were mailed out to voters and were non partisan. They met two separate days to fill out 400 postcards. This was a rewarding project. Each felt it was important to urge voters to exercise their right to vote and express their choice.
