LEADERSHIP

 The Woman's Club of Fullerton is an organization full of pride and history. We are extremely proud of the fact that we have been in operation since November of 1902. Our mission is dedicated to uniting women of all ages for community service, supporting charitable organizations, fostering friendships and empowering women through learning about the community around us. The Woman's Club of Fullerton resides in a city of 135,161 community members. Since our 2007 rebirth, we have grown to 60 members and growing.

Project Title: Leadership Orientation Hours: 200 Donated \$ 200 In-Kind \$ 0

On Friday, May 24, 2019, the board members as well as chairman attended our annual orientation meeting. This meeting is designed to go over the yearly timeline, budget, upcoming events and projects and also, it's a great time for mentoring. This year we decided to change things up and we headed to Palm Springs, where we spent a few nights bonding. The day was filled with lots of laughs, mentoring members of incoming positions and lots of good food. This is a great opportunity to ask questions and be guided in the right direction as a club. We hope to do more events like this in the future.

Project Title: Installation and Year-End Celebration Hours: 75 Donated \$ 200 In-Kind \$ 100

What a wonderful installation we had in June. Our President gave Board Members and Chairs who served this year some wonderful gifts. She passed out Orange District narrative awards to each section Chair, as well as the beautiful gifts and thanked each member personally, making it extra special to each person. The Vice President presented our President with beautiful gifts from funds collected from all the members, which included a beautiful bracelet, gift cards to her favorite restaurants, and wine store. She was so overjoyed with emotion and thanked each and every one of us. The Vice President handed out gifts thanking all her Chairman for their hard work. Our Historian also made the End of Year Woman's Club of Fullerton Photo Album to present to our President. It's so touching to see all the ways we've used our talents and time to help our community and to have fun together all in one album.

Project Title: Patriarch of our Club Hours: 15 Donated \$ 200 In-Kind \$ 0

On November 4, 2019, the Woman's Club of Fullerton lost its patriarch of the club. Mary Peardon was such an amazing woman, who recently turned 100 years old. Mary has been a member of WCOF since the 1950's and was instrumental in the rebirth in 2007. If it wasn't for her strong will, and tenacity, our club would not be here today. 10 members attended her celebration of life and it was incredible to hear all the amazing stories and attributes about her. We were so happy to see another one of our longest members; she is now 96 and still drives. We are so grateful and honored to be following in the footsteps of these incredible and dynamic women.

Project Title: Orange District Summer Conference Hours: 10 Donated \$ 0 In-Kind \$ 0

The Orange District Summer Conference on July 11, 2019 was attended by many Club women from the surrounding cities. The Woman's Club of Fullerton attendees were the chairs from Domestic Violence, Education, Legislation & Public Policy, and the VP/Dean of Chairs. After some coffee and Danish, we gathered together with all the other Club ladies in the Sanctuary of a local church in Yorba Linda to hear all about the CHOC Children's Neuroscience Institute. It has been named the Best Children's Hospital in Neurology and Neurosurgery for 2019-2020. We all then went to our respective seminars. We were able to attend 3 seminars that pertained to our Chairs before we gathered again in the Sanctuary and enjoyed a wonderful Fashion Show before we left. We all thought we learned a lot from the Seminar Speakers and we were glad we had attended the Conference. We certainly will attend next year!
