**Project Title:** Recipe Exchange & Holiday Boutique Membership Drive **Hours:** 20  
**Donated \$** 0 **In-Kind \$** 350

Our Holiday Recipe Exchange Meeting was very successful on November 11, 2019. We had a room filled with members and many guests. We had almost 50 people in attendance, two of which were men. We passed each of our food items around for each person to have a small taste. We had so many delicious desserts, salads, and entrees, our plates were overloaded. There

Were 6 vendors selling a variety of things such as lighted blocks, Christmas candles, boxes and gift items, and beautiful colorful clothes. We also gave our Angel Tree donations to Crittenton Services on that evening. There were many gifts purchased by the members and many pairs of Vans and Converse sneakers were donated by the Club to the teenagers from Crittenton. The sneakers are bound to be a great hit with the youngsters on Christmas. It was a wonderful time to share with new people from the community. Many said they would be back next year. An event enjoyed by everyone!!

Project Title: Garment District Excursion Hours: 60 Donated \$ 100 In-Kind \$ 0

Saturday March 23, 2019 a group of 15 women, including Woman's Club of Fullerton members and their guests, loaded into a fun party limo and headed to the Los Angeles Garment District. It was actually the wholesale district which is adjacent to the garment district. We had so much fun! Fruit, Kind bars, and bagels with cream cheese were provided so no one had to manage their own breakfast at the early meet up time of 6:30am. Our guide gave us savvy advice, maps and instructions to make the most of our time. The area was easy to navigate, as groups of 3-5 went out and came back with great bargains in hand.

One member had personally brought \$50 to spend. At one point she noted to the group "I am exhausted and broke and it's only 9:00". Everyone had such a fun time and the time frame allowed was just right. On the way back home we played games, won prizes and ate more bagels! The limo provided time for members to have a fun bonding experience; no one was responsible for driving and navigating the streets of Los Angeles. Everyone said they would go back to the Garment District they had such a great time. Two of the guests signed up to be members of the Woman's Club of Fullerton.

Project Title: Meet & Greet Hours 24 Donated \$ 0 In-Kind \$ 0

Meet & Greet was created to make new members and guests feel welcome and allow them to get to know other members in a casual atmosphere. We open our doors one-half hour early before each monthly meeting, where members from the Ambassador committee introduces themselves to new members and guests, making sure they know where all the committee sign-up/information sheets are, give them nametags and introduce them to other new members and current members. We tell them a little of all we do for the community and of all the charities we sponsor and the goals the club has for the future. We also asked them to participate in Happy Dollars so we may acknowledge them. We feel this is an important part in membership retention.

Project Title: T-Shirts Hours 15 Donated \$ 0 In-Kind \$ 0

The Woman's Club of Fullerton has designed t-shirts to help spread the word of our club. We have black bling t-shirts which have always caught the eyes of our community. When they see the front, saying: "The Power of Women", they always ask: "What does that mean?". We proceed to turn around only for the back to say: "The Woman's Club of Fullerton". As of 2 years ago, we have added a hot pink shirt, which complements our black bling shirts and a pink tank top for the summer. These are a great tool in getting our name out into the community and the community asking us about our shirts and starting a conversation. The community always says they like our black bling shirts and our bling jackets too. We like them too. We have purchased a small clothing rack on which to display our t-shirts which gives the t-shirts more visibility to the members.
