<b>Domestic Violence &amp; Sexual Assault Awareness and Prevention</b>			
Name of GFWC Special Program, Community Service Program, Advancement Plan or ESO			

The City of La Habra is bedroom community with a population just over 65,000 residents. It is located in the very Northwest corner of Orange County. With no freeway access there is very little manufacturing in the city and the larger retailers have just recently begun to build here. La Habra Woman's Club was established in 1898 and has continued to be an asset of the community since.

**Project Title: Sheepfold Adopt-a-Family Hours: 20 Donated: \$300 In Kind: \$750**

The La Habra Woman's Club has been a part of the Sheepfold family for several years. The Sheepfold is a non-profit organization that directly assists women and their families escape situations of domestic violence and homelessness in Orange County. The adopt-a-family program is just one of the many ways the Sheepfold helps those in need. Our members received a list of items for a family of four from the Sheepfold. We also received a donation from the family of a deceased member to help the family. The Adopt-a-Family committee went shopping and filled in the gaps from the family's wish list. Our members did an amazing job providing gifts for the family we adopted. They had a very merry holiday. This is always one of our favorite projects.

**Project Title: Sheepfold - Clothing Donation Hours: 25 Donated: -0- In Kind: \$1,000**

The La Habra Woman's Club has been working and donating to the Sheepfold for several years. 2022 was no different. As mentioned above the Sheepfold is an organization that equips women with children suffering from homelessness or abuse. One way the Sheepfold assists these women is through the adopt-a-family program, but another way is through their resale boutique. The resale/thrift store is located in the city of Orange and proceeds from the boutique go directly to the Sheepfold shelters and their residents. The boutique takes women's clothing, select men's clothing, children's clothing, home décor, and furniture in excellent condition. Our club facilitated the donation of so much this past year. A community member contacted us, as he lost his wife the previous year, and he was at a loss on what to do with all of her belongings. He was so relieved that he didn't need to do anything but bag it and bring it to us. We separated and sorted and took care of everything. Some things were brand new with the tags still on. Clothes, bags, purses, shoes, and tons of household items and decor. It was truly a blessing to donate items to the Sheepfold. They were wonderful.

**Project Title: Sheepfold – Gift Wrapping Hours: 15 Donated: -0- In Kind: -0-**

This project compliments the Adopt-a-Family project. We provide the items unwrapped and volunteers sort, document what was received, and wrap them all for the families. We have a member who goes every year to wrap with other volunteers.

**Project Title: Sheepfold – Angel Tree Brea Mall Hours: 5 Donated: -0- In Kind: -0-**

The Sheepfold also has an Angel Tree program that they do at the Brea Mall. Guests who are shopping can choose an angel off the tree and provide a gift(s) to them right on the spot. We had a member who volunteered to work with past program participants and work the table. It is a very involved project as everything has to be documented just so. It is amazing how many stopped by and provided a gift on whim. It was great to see.
