LEADERSHIP PROJECTS			

The Woman's Club of Fullerton is an organization full of pride and history. We are extremely proud of the fact that we have been in operation for 120 years since November of 1902. Our mission is dedicated to uniting women of all ages for community service, supporting charitable organizations, fostering friendships and empowering women through learning about the community around us. The Woman's Club of Fullerton resides in a city of 143,617 community members.

The new and previous board members gathered at the Christian Life Center to offer job position notes and advice, nibble on snacks, and review job descriptions for the new leadership members. Our President prepared a folder for each new board and chair member detailing their responsibilities, and a list of all club events. We all played fun games that related to leadership positions and their respective responsibilities. We reviewed and voted on the new upcoming club events and shared ideas about each other's responsibilities. We had fun and most of all we shared our vision for the upcoming year.

Eight of our members from the WCOF attended the Orange District Convention on April 9th, 2022. Our theme was Team Work Makes the Dream Work, our members collectively dressed up as cowgirls wearing matching pink shirts, pink hats, pink scarves, and an adorable blow-up horse. Our theme was inspired by our charity of the year, Tara's Chance. Tara's Chance is dedicated to promoting the physical, cognitive, and social well-being of those with special needs through equine-assisted activities and therapies. A place where therapy feels like play. We had a fun time being with all the other clubs at the Orange District Convention, so much so that our club won first place for the spirit award for having the most spirit and cheer each time anyone received an award. This year we won 13 of the 14 awards at the Orange District Convention, 10 of which we received first-place awards. Our members were proud to have won an award for Advocates for children, Domestic Violence, Education in Libraries, and Leadership to name but a few categories.

This year's State Convention theme was "BACK IN THE SADDLE AGAIN" so our WCOF members were excited to show their spirit and wear their pink cowgirl hats, shirts, and handkerchief. There were so many wonderful vendor booths to shop at and we went to see and vote in the Art Exhibit Room. After having chicken salad and chocolate mousse for lunch, the Awards were handed out to the State Clubs and Districts. The Woman's Club of Fullerton received the State Award for Education! We were very thrilled to have received this award and we made a lot of noise! It is always a fun time with our Club Members.

The ladies of the Woman's Club of Fullerton conducted Board Meetings on Zoom and General Meetings in person. The President prepares the meeting agendas and board members vote on upcoming club business. We were able to conduct our General Meeting as the COVID restrictions were lifted. At our General Meeting, we encourage members to invite a friend to enter a new raffle, this tactic has helped us bring in new members to join the club. We start out our meeting by introducing new members and welcoming guests, we go around the table and encourage members to tell us one thing they are happy about. At our general meeting, we go over the agenda and typically have a guest speaker and/or a member activity which is organized by our Amenities Chairman. We conclude our meeting with raffle prizes donated by members and sell tickets for members to enter the drawing. We enjoy ourselves during our meetings and make our meetings fun and energetic. We pride ourselves on the sisterhood that we all share and all the good work we do in our community.
