Project Title Toiletries for WTLC

Hours 60 Donated

In-Kind \$1.800

October is Domestic Violence month and the WCOF continues to support the Women's Transitional Living Center (WTLC). The WTLC is always in need of sample-size and full-size toiletry products: toothbrushes, toothpaste, shampoo, conditioner, deodorant, razors, lotion, body wash, and face soap. Our members donated and collected lots of products for donation. It is an honor to continue to help support and provide for the woman in our community who are in need. These basic necessities mean a lot to them and it feels good that we continue to help and fulfill a need in our community.

Project Title Showing of Film Trafficked Hours 20 Donated \$500 In-Kind \$300 The Woman's Club of Fullerton hosted a showing of Trafficked at the Frida Theatre in Santa Ana, CA. The showing was free to all Southern California residents. The film was released in 2017 and is based on real-life events, "Trafficked" revolves around three young women who were forced into slavery in the international sex trade. The showing included free refreshments for all to enjoy and was made possible by WCOF and Marc Ang who partnered with WCOF to bring this vital information to the public. We are so glad that we were able to continue this showing in 2022 our last showing was in 2020.

Project Title Toiletries for WTLC

Hours 60 Donated

In-Kind \$700

The Women's Transitional Living Center (WTLC) was very grateful for our donation in October and reached out to us again to request any additional donations for the year. Our club was able to provide a 2nd donation of toiletries to the WTLC which they greatly appreciated and needed. There is much need by the WTLC for sample-size and full-size toiletries products, we are so glad that we could help support the WTLC and that our relationship continues to prosper.
