<u>ARTS & CULTURE</u>			
Name of GFWC Special Program, Community Service Program, Advancement Plan or ESO			

The Ebell Club of Fullerton was established in 1917 and shares the community with not only other community service clubs but also with another federated club. The community is an established Community and many times the service clubs are supporting the same organization.

The clubhouse was sold, and the money was invested so that each year a portion is designated as philanthropy funds. A special philanthropy committee reviews all requests for donations and submits their findings to the general membership for approval. While selling the clubhouse has financially been beneficial it has caused an identity problem as many thought we had dissolved with the sale of the clubhouse.
