The Women's Leadership Forum is a free community event, hosted by the Women's Club of Fullerton, Hosted by WCOF, the California Assembly Woman Sharon Quirk-Silva, and Former Fullerton Mayor Pro-Tem Pam Keller. We gathered to honor the people that make our community great! We enjoyed complimentary tastings from some local restaurants and had a few small business vendors in attendance. We honored local women in leadership who are making a difference; five women in five categories our Public Service honoree Vicki Calhoun, Philanthropy honoree Theresa Stachelski (Taz), Business honoree Marcella De Anda, Leadership honoree Jessie Jones and Rising Star Leadership Honoree Jasmine Hernandez. We begin preparing for this event months in advance so we can be ready for approximately three-hundred attendees, for whom we provide complimentary tastings, donated by some of our local restaurants. We also have wonderful local non-profit and vendor tables at the event, each of them donates an item or basket to be given out to guests who are lucky and win a prize, we also give out swag bags to all in attendance. Our honorees are recognized for their service and receive certificates of that recognition from the Woman's Club of Fullerton and our local representative dignitaries.

The committee members of the Woman Leadership Forum (WLF) invited the Honorees to a special dinner. In attendance were all committee members and all the Honorees, the members and Honorees enjoyed sharing a meal together, bonding, and overall learning more about each other. We are very pleased that we continue to be a part of such a special event that is hosted in the City of Fullerton. We are proud of the things we accomplish and we enjoy celebrating and reflecting on all of our successes.

Project Title Kiva Loans **Hours** 8 **Donated** \$125.00 **In-Kind**

The Woman’s Club of Fullerton supports KIVA as one of our international projects. It is the World’s first online lending platform. We have loaned to a total of forty-nine women in countries such as Ecuador, Liberia, Nicaragua, and many more for a total of sixteen countries. Currently, we have loaned out to nineteen women. We loaned \$125 out to women in 2022. The total amount of money loaned since the start of this program is \$1,300. The repaid amount has been \$1,092.38. The loans have been to help them start a business in farming, electronics repair, grocery stores, food stalls, sewing, dairy, and beauty salon. When the money is paid back it is put back into a fund and we then make another loan to another woman to help support her family. This is a very rewarding project.

Project Title Photo Book of year **Hours** 12 **Donated** \$0 **In-Kind**

The Woman’s Club of Fullerton created a photobook of all events for the past year. We compiled all the pictures we took from our past events and made a memorable photo book. We made one book for the WCOF and another one for Ocean Subaru. We presented the book to Ocean Subaru as a thank you for allowing us to be their charity of the year. The club attends many events and the photo book is a great way to capture all the good we do in our community in a year.
