Project Title : TEEN CITIZEN SCHOLARSHIP Hours 20 Donated $ 1000 In Kind $____

The San Clemente Junior Woman's club awarded a scholarship for $1000 to a college-bound San Clemente High School student. The application is thorough and is distributed to the high school via counselors and an online portal. The scholarship is given to a well-rounded student on the basis of academics, volunteerism, extra-curricular activities, and an exceptional essay. Our scholarship chairman reviews all applications and narrows down the field of candidates to four. The award is then determined with a vote by the board members of our club. The accomplishments of applicants are reviewed. We are always impressed and inspired by the students. They fact that they are able to participate in volunteering, entrepreneurship, sports, family all while maintaining excellent grades, is truly inspiring. Recipients and their families were invited to our general meeting by Erika Schnitzer following the vote and are presented with the money and a certificate at the meeting. With their permission the club gave praise to them on social media.
