

**PLEASE JOIN US IN MAKING KINDNESS BAGS FOR OUR COMMUNITY. YOUR CLUB COULD MAKE THE DIFFERENCE!!**

It is time to get involved in a *COMMUNITY IMPACT PROGRAM* with your club and city!! This is a way to provide homebound seniors with basic needs. The needs can include toiletries, cleaning supplies, dish soap and other household items.

The Woman's Club of Cypress started with approximately twenty-seven homebound seniors and today we have over forty-eight seniors on our project. The reward is unbelievable as we receive many thank you 's from the seniors and our city.

Our goal is to create a positive impact with our homebound seniors, and to extend this program to other clubs. Our seniors feel wanted and we want to expand the Kindness Bag project.

Please call or email me and I would be happy to assist your club to begin a Community Impact project.

I am willing to come to your club meeting and explain how we created our Community Impact Project.

Thank you.
