The Ebell Club of Irvine was founded and federated in 1974. The City of Irvine was incorporated in 1971, evolving from a working ranch to a "model city" as planned by the Irvine Company. Today the City of Irvine has grown to over 309,000 residents. Irvine has been named the safest city of its size for more than 17 years. It includes the Orange County Great Park, Pretend City Children's Museum, Irvine Art Museum, 2 universities and a junior college. Most residents are college graduates, the school district is highly regarded, and the population is a diverse mixture of cultures. With the city growing rapidly, one would expect the number of club members to also grow. But what has grown is the number of volunteer organizations with a single mission, such as CHOC guilds, Friends of the Library, and Families Forward. Our club has historically had about 15 energetic members, who are now aging but who are proud to be federated and making a difference.

The chairman does a regular search for Orange County/California arts and culture activities for the month and year. She also gets e-mails from event centers and Irvine Community News. Her articles in our monthly newsletter are always very informative and fun to read.

Two members enjoy ushering at 2 theatres, South Coast Repertory and Segerstrom Center For The Arts. They welcome patrons, take tickets, usher them to their seats, pass out programs and check for lost articles in all seats at the end of the performance. It's a service to the community and a pleasure for the ushers.
