The Ebell Club of Fullerton was established in 1917 and shares the community with not only other community service clubs but also with another federated club. The community is an established Community and many times the service clubs are supporting the same organization.

The clubhouse was sold, and the money was invested so that each year a portion is designated as philanthropy funds. A special philanthropy committee reviews all requests for donations and submits their findings to the general membership for approval. While selling the clubhouse has financially been beneficial it has caused an identity problem as many thought we had dissolved with the sale of the clubhouse.

Project Title Club Procedures and Information **Hours** 30

Each year a club yearbook is published for the members of the club. Included in the Yearbook are the bylaws, calendar (both club and district), federation activities, meeting dates and programs, officers and chairmen and roster information for all club members. A newsletter is published each month to keep members up to date with activities and information. The newsletter is sent via email and snail mail.

The President prepares an agenda for every board and general meeting.

Since selling the clubhouse a philanthropy committee has been established to review all requests for philanthropy donations. All requests are voted upon by the general membership.
