----------------------	---	--------------	-----------	----------------	--	----------------	----------------

On October 26th, 2022, fourteen of our members from the WCOF gathered to make baskets for our annual Holiday Brunch and Fashion Show. One of our members opened her home and held a potluck for the festivity's guests. The ladies grouped in mini committees for basket-making fun, we had one committee sorting the donated items and grouping them together, while another committee wrapped and arranged the beautiful baskets. Our last committee helped with the final stage by estimating a starting bid for each basket. The baskets were a hit at the Holiday Brunch and Fashion Show's silent auction. The contribution of time, money, and donations from our members made the Holiday Brunch and Fashion Show a huge success.

Project Title	Holiday Brunch & Fashion Show	Hours	160	Raised	\$6,434	In-Kind	\$1,500

WCOF hosted our Annual Holiday Champagne Brunch and Fashion Show Fundraiser on Saturday, November 5th, 2022. The event sold out and was a great success, our revenue totaled \$11,160 with net proceeds of \$6,434. The Fashion show was held at the Coyote Hills Golf Club in Fullerton and featured a brunch-style breakfast, drink, and a dessert bar of delicious member-made treats and mimosas. Our entertainment was provided by the Armonia (Greek for harmony) Choir of Ladera Vista Junior High. These young singers created the most exquisite vocals and were expertly directed by Andrea Calvo. Their voices were followed by the stand-up comedy of Jennifer Peckham Arundale. She had us in stitches. Jennifer is an award-winning comic and a serious actor. Our Fashion Show included beautiful models with casual fashions from the Storyline Collection by Amy Lamphere, in addition to formal dresses provided by David's Bridal located in Brea, CA. We had several wonderfully crafted baskets that we offered for our raffle and silent auction.

Several of our WCOF Members held a community fundraising event that was full of fun and great energy. The Bunco Boogie fundraiser was held at the Fullerton Community Library Conference Center and included lunch, games, prizes, and a silent auction of many baskets. There was a wonderful brunch featuring an array of foods ranging from croissants and chicken salad sandwiches to green salad and fruit bowls to pastries and mimosas. Many members of the community showed up with friends for this fun-filled event which was the talk of the town. The event was so much fun that many members of the community were asking when the next Bunco Boogie will be. It is very touching when you can bring the community together for such a great cause. We were also able to collect books in substitution for ticket entry, the books were later donated to our non-profit Fullerton Library. The event raised a total of \$3,435.

Community members and vendors from in and around Fullerton donated items as well. We made a total of fifty-one baskets for the raffle and silent auction. There were so many choices of amazing things to add to the baskets, we had a basket-making assembly line throughout the house. Some of the items we had were spa-like, others were gifts for children, wine for adults, and many others. We had so much fun creating and grouping the baskets by theme and arranging an assortment of beautiful baskets. To encourage us to work creatively, we had some awesome refreshments to nibble on. We were all very satisfied when the last basket was wrapped up and the bow was attached. Our club takes pride in the baskets we arrange, as the community members have such fun at events like Bunco Boogie Brunch where we raffle and auction our baskets.

Project Title	Yearbook Sponsorship	Hours	20	Funds Raised	\$125	In-Kind
----------------------	-----------------------------	--------------	-----------	---------------------	--------------	----------------

The WCOF prints a yearbook for members which include our bylaws, standing rules, budget, member information and much more information. The yearbook helps keeps us organized and detailed information on monthly meetings and list of charities. We print photos of events from previous years projects and keep our yearbook handy for very important information on current board members and chairs. We fundraise by allowing members and non-members the opportunity to buy a sponsorship to the yearbook. You can buy a full page, half page or business card sponsorship. The sponsors are printed in our yearbook and given a shout out on our WCOF Facebook page. We raised \$1,125.00 on sponsorships which covered the cost of printing the yearbook. Our cost was \$1,000.00 so our total raised was \$125.00.
