<b><u>Civic Engagement &amp; Outreach</u></b>			
Name of GFWC Special Program, Community Service Program, Advancement Plan or ESO			

The Ebell Club of Fullerton was established in 1917 and shares the community with not only other community service clubs but also with another federated club. The community is an established Community and many times the service clubs are supporting the same organization.

The clubhouse was sold, and the money was invested so that each year a portion is designated as philanthropy funds. A special philanthropy committee reviews all requests for donations and submits their findings to the general membership for approval. While selling the clubhouse has financially been beneficial it has caused an identity problem as many thought we had dissolved with the sale of the clubhouse.

Project Title Fullerton Police Department Hours 10 Donated \$ \$1,500 In Kind \$     

The Ebell Club of Fullerton has always had a good relationship with the Fullerton Police Department, and they have come to know that they can count on the club both financially and community service wise.

Each year we sponsor the "Adopt a Family" which enables the Police to reach out into the Community. Families are invited to the Police Station for a Christmas Party including Santa, food and gifts.

In the past years the club has purchased 2 police dogs for the city and each year we have the joy of having the dogs visit a club meeting. Once the dogs are retired, they are normally able to stay with their police counterpart. This year the first dog we purchased "Jax" retired and the club donated \$15,000 toward the purchase of another dog. The Police Department decided on 5 names and allowed the club members to vote for the final name. The name decided was "Echo" which is what our club newsletter is called.

Project Title Fullerton Community Nursery School Hours 24 Donated \$ 5,000 In Kind \$     

The Fullerton Community Nursery School is the original Co-Op Community Nursery School in the City. In the Spring 6 members attended and worked the Carnival Booths at the Schools Annual Spring Carnival.

Originally organized by the Chief of Police and a local volunteer, this day is set aside to repair, restore, update schools, homes, buildings, etc in the city.
