The Ebell Club of Fullerton was established in 1917 and shares the community with not only other community service clubs but also with another federated club. The community is an established Community and many times the service clubs are supporting the same organization.

The clubhouse was sold, and the money was invested so that each year a portion is designated as philanthropy funds. A special philanthropy committee reviews all requests for donations and submits their findings to the general membership for approval. While selling the clubhouse has financially been beneficial it has caused an identity problem as many thought we had dissolved with the sale of the clubhouse.

Project Title RECRUITMENT Hours 12 Donated \$ In Kind \$

Recruitment of members is essential. This year the Membership Chairman has encouraged every member to bring in one number member. To assist with recruitment trifolds and business cards have been given to every member. A local relator has put on the marquee "Volunteering is Fun" join with the club's name and membership phone number. An ad has been prepared to put in the local newspaper after the first of the year. One member has joined since September.

Project Title RECOGNITION Hours 20 Donated \$ In Kind \$

All new members receive a "New Member Handbook" which includes the history of the club and federation, responsibilities of being a member and protocol information. They also receive a federation pin, name badge and yearbook which includes bylaws, dates and all member information.

Members are thanked for their efforts both verbally and written thank you in the newsletter.

Each month members birthdays are listed in the bulletin, a birthday card is send and a small gift and singing of Happy Birthday is done at the General Meeting.

Our club regretfully recognizes the passing of members with a donation of their family's choice.

Project Title **RETENTION** Hours 65 Donated \$ In Kind \$

The Personal Interest Chairman contacts all members who have been ill or unable to attend meetings and reports at the meetings and in the newsletter. Flowers are sent to those in the hospital or ill along with Get Well Cards to show that the club is concerned about them.

Since selling the clubhouse the Ways & Means Position is now the Events Vice President and coordinates the social aspects of the club to encourage members to enjoy being together and having a good time. A Halloween party was held with costumes and the Annual Christmas Social was held in a member's home.

The club has a very active Canasta Section and any other activities the members want.
